

## SPOKANE COUNTY FIRE DISTRICT 8 ADDRESS SIGN REQUEST FORM

**Time is critical when you phone 911.** Minutes lost looking for a specific address can make all the difference in an emergency situation. Spokane County Fire District 8 has initiated an *Address Sign Program* to help rural property owners in our area be more visible to first responders.

Your reflective address sign will be provided and installed for you at no cost. A limited number of address signs are available each year, and because resources for this program are limited, voluntary donations will gladly be accepted; however, no donation is required in order to receive an address sign.

If you are interested learning more or receiving an address sign, please complete this form:

|                |              |            |
|----------------|--------------|------------|
| Name: _____    |              |            |
| Address: _____ |              |            |
| City: _____    | State: _____ | Zip: _____ |
| Phone: _____   | Email: _____ |            |

My tax deductible donation of \$ \_\_\_\_\_ is enclosed to help support the program.

Mail this completed form to: Spokane County Fire District 8  
Address Sign Request  
PO Box 345  
Valleyford, WA 99036-0345

You will be contacted by a District 8 representative and your sign can be installed in approximately four to six weeks after processing. If you have questions regarding this program or other District 8 services, please contact Division Chief Marty Long at 509-926-6699 or email [m.long@scfd8.org](mailto:m.long@scfd8.org).
