

Spokane County Fire Protection District 8
Request for Proposals and Statements of Qualifications
Strategic Plan Development

Spokane County Fire Protection District 8 is requesting Proposals and Statements of Qualifications from experienced firms or individuals for the development of a strategic plan. The project includes conducting an environmental scan, development of prioritized customer and member needs and expectations, soliciting input from internal, external, regional and supporting service stakeholders and working with the Board of Fire Commissioners to establish short and long term goals for the District. The statement of work can be found on Exhibit "A". Proposals and Statements of Qualifications with costs and a timeline for project completion are due before 4:00 P.M. March 3rd, 2017.

The District reserves the right to reject any and all proposals.

Background Information:

Spokane County Fire Protection District 8 provides a full range of services that include fire suppression, emergency medical services, fire prevention, education and investigation, and associated support and maintenance services to our 20,694 citizens in a 110 square mile area in south Spokane County. SCFD8 members responded to 2,857 incidents in 2016 from the District's four fire stations located in the Moran, Valleyford, Ponderosa, and Saltese areas. Each station is staffed twenty-four hours a day with a combination of career, part-time, and volunteer and resident volunteer personnel.

Spokane County Fire Protection District 8 operates under the State of Washington laws and codes governing fire departments by direction of a three-person Board of Fire Commissioners serving staggered six-year terms.
