Attack Operations Checklist

Date \_\_\_/\_\_\_/\_\_\_

Equipment: 1 attack engine with crew.
Drill Site: Fire training grounds or any suitable location.

X = Satisfactory
O = Unsatisfactory

Table with 2 columns: Task, Comments. Header: Operating from Booster Tank - Booster Line or 1 3/4" Attack Line: Full protective clothing: Wildland Hard Hat, Protective Jumpsuit, Gloves, Safely stops apparatus, Sets brake, Sets wheel chocks, Starts pump correctly, Tank to pump valve open, Primes pump (if applicable), Charges line slowly, Sets gallonage and pattern, Sets pump to proper pressure +/- 10 psi, Monitor pump, gages, and water level, Slows motor to idle speed, Ensures all hoses, tools, appliances ect restored, \*\*Repeat pump operations from cab panel, \*\*Understand all valves for pre-connect lines...

Final Rating: \_\_\_PASS \_\_\_FAIL

**PART 1 – DRIVING SKILLS**

YES

NO

**1. Checking the Driver:**

- |   |       |       |
|---|-------|-------|
| a. Checks or adjusts mirrors                | _____ | _____ |
| b. Adjusts seat properly                    | _____ | _____ |
| c. Assumes erect and alert driving position | _____ | _____ |
| d. Uses seat belt                           | _____ | _____ |

**2. Starting the Engine:**

- |   |       |       |
|---|-------|-------|
| a. Checks gearshift lever for neutral position        | _____ | _____ |
| b. Releases the starter as soon as engine starts      | _____ | _____ |
| c. Knows location of controls and gauges              | _____ | _____ |
| d. Allows engine to warm up (full air & oil pressure) | _____ | _____ |
| e. Checks air and oil pressure                        | _____ | _____ |

**3. Automatic Transmission:**

- |  |       |       |
|--|-------|-------|
| a. Checks traffic condition                                  | _____ | _____ |
| b. Select correct gear – 'D'                                 | _____ | _____ |
| c. Starts apparatus smoothly                                 | _____ | _____ |
| d. Shifts properly (utilizes manual shifting as appropriate) | _____ | _____ |
| 1. Up shifts   | _____ | _____ |
| 2. Down shifts   | _____ | _____ |
| e. Shifts without looking at shift lever                     | _____ | _____ |
| f. Keeps hand off shift lever unless shifting                | _____ | _____ |

**4. Position of Vehicle on Roadway:**

- Traffic lanes (exclusive of turns – marked or unmarked)
- |   |       |       |
|---|-------|-------|
| a. Drives in proper lane  | _____ | _____ |
| b. Maintains 3 second following rule  | _____ | _____ |
| c. Maintains proper distance/clearance from other vehicles, moving objects ect. | _____ | _____ |
| d. Uses turn signals  | _____ | _____ |

**5. Turning (Right):**

- |  |       |       |
|--|-------|-------|
| a. Approaches from proper lane               | _____ | _____ |
| b. Proper lane during turn                   | _____ | _____ |
| c. Proper lane after turn                    | _____ | _____ |
| d. Avoids curb                               | _____ | _____ |
| e. Makes turn unnecessarily wide             | _____ | _____ |
| f. Moves left, then turns right              | _____ | _____ |
| g. Yields right of way                       | _____ | _____ |
| h. Checks crosswalk                          | _____ | _____ |
| i. Monitors rear of aerial device (overhang) | _____ | _____ |

	<u>YES</u>	<u>NO</u>
<b><u>6. Turning (Left):</u></b>		
a. Approaches from proper lane	_____	_____
b. Speed – appropriate for turn	_____	_____
c. Proper lane during turn	_____	_____
d. Proper lane after turn	_____	_____
e. Cuts corners short	_____	_____
f. Cuts corners wide	_____	_____
g. Moves right, then turns left	_____	_____
h. Yields right of way	_____	_____
i. Checks crosswalk	_____	_____
j. Monitors rear of aerial device (overhang)	_____	_____
<b><u>7. Brakes:</u></b>		
a. Stops smoothly	_____	_____
b. Uses brakes properly on grades	_____	_____
c. Test brakes before descending long hills	_____	_____
d. Decreases speed gradually	_____	_____
e. Utilizes lower gear as appropriate to assist in slowing	_____	_____
f. Stops clear of pedestrian crossing	_____	_____
<b><u>8. Parking:</u></b>		
a. Maneuvers clear of nearby vehicles or stationary objects	_____	_____
b. Avoids hitting curb	_____	_____
c. Parks proper distance from curb	_____	_____
d. Checks traffic conditions and signals when pulling out from parked position	_____	_____
<b><u>9. Steering:</u></b>		
a. Steers smoothly	_____	_____
b. Hand position correct (10 & 2 or 3 & 6)	_____	_____
c. Uses two hands at all times	_____	_____
<b><u>10. Backing:</u></b>		
a. Uses spotter when backing	_____	_____
b. Utilizes mirrors	_____	_____
c. Monitors front of apparatus while backing	_____	_____
d. Monitors back of apparatus	_____	_____

**PART 2 – GENERAL**

	<u>Not at all</u>	<u>Occasionally</u>	<u>Often</u>	<u>At the time</u>
1. Inattentive (day dreams ect.)	_____	_____	_____	_____
2. Nervous and hesitant	_____	_____	_____	_____
3. Over confident	_____	_____	_____	_____
4. Uses rearview mirrors	_____	_____	_____	_____
5. Anticipates and responds to hazardous traffic conditions in the making	_____	_____	_____	_____
6. Exceeds the speed limit	_____	_____	_____	_____
7. Looks at instructor during conversation	_____	_____	_____	_____
<hr/>				
	<u>Very good</u>	<u>Good</u>	<u>Fair</u>	<u>Poor</u>
8. Overall driving is	_____	_____	_____	_____
9. Attitude toward instruction and criticism during test:	_____	_____	_____	_____
